Venue Synopsis

Club Auto Sport offers chic luxury, modern innovation and automotive ingenuity, all under one roof. The Club brings unsurpassable intrigue and attractions to any group or themed event, and can accommodate small, large, indoor, outdoor, day or evening events.

The Clubhouse Showroom features an array of rare collectible cars available for display as well as a significant one-of-a-kind private museum collection. With a sleek lounge bar and flexible space, the Clubhouse brings an extra air of class to any event.

Adjacent to the Clubhouse Showroom is the spectacular TMFC Museum and Patio, perfect for more intimate gatherings or as an extension of the Clubhouse for your party festivities. Capitalize on the fantastic year-round San Jose weather with the Patio's wood-burning pizza oven, gas fireplace and covered commercial BBQ.

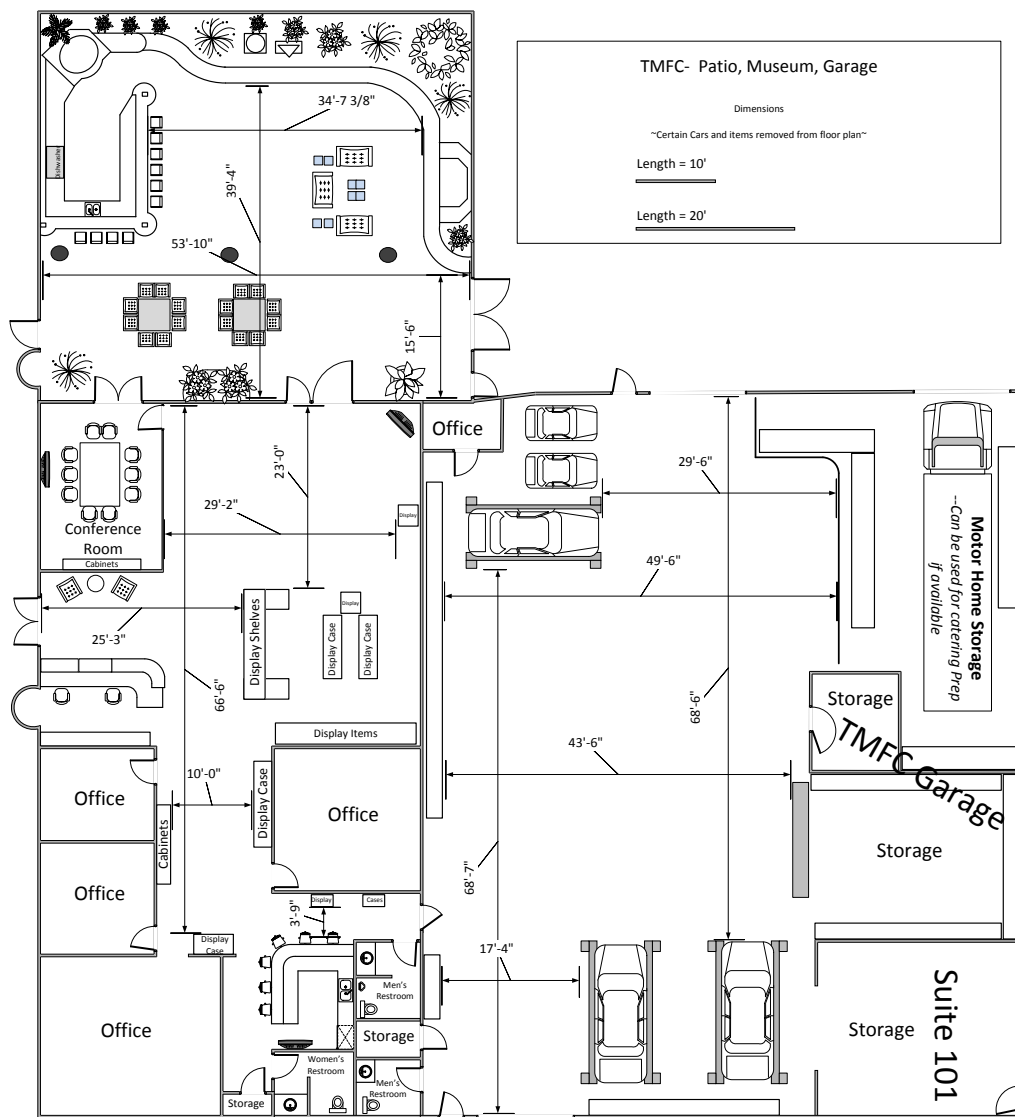

Club Auto Sport is one of the most technologically driven conference room meeting and event center facilities in the Bay Area, offering global multimedia communication services, networking services, video streaming and webcasting throughout.

Let the expertise of the full-service event specialists at Club Auto Sport drive some real exhilaration and elegance into your next event!
